Overview

- **Google Drive:** Google Docs; Google Sheets; Google Slides; Google Forms;
- **Tips**
- Q&A's
- 1:1 Meeting
- Contact Information

Tips

- **star important files:** otherwise, you will lose track of them very easily!
- **name your document, BEFORE** sharing it with collaborators!
- when sharing your documents, make sure **access privileges are correct.**
- **use version history**, if you want to go back into a previous version.
- comment history
- activity dashboard
- download your file in PDF, etc.
- work offline
- approvals
- plug-ins: equations, etc.
- ...

Q&A's
